AUGUST 2010

WANTED

- Old horse shoes, particularly heavy size for craft work and sculpture. Happy to collect if reasonably close to Picton, NSW or you can bring them to the Stroud Heavy Horse Fields Days 2/3 October to The Heavy Horse Stable stall.
- Single working cart harness for Clydesdale. Doesn't have to be fancy, just safe for plodding around the paddock.

Phone Tracey 0421 645430 or email through The Heavy Horse Stable website.

FOR SALE

Horse rug to fit medium sized Heavy Horse. Brand new unlined canvas, 6ft 6in. I had it specially made for my 17.2hh Clydesdale but he is very large around the chest and neck and I messed up the measurements so it is too small. It has been very well sewn with gussets at the front. Can be posted or it will be available to try on your horse at Stroud Heavy Horse Field Days 2/3 October. Cost \$160 ono.

Phone Tracey 0421 645430 or email through The Heavy Horse Stable website.

WANTED TO SWAP

We would like to swap (to a good home only) our registered PERCHERON MARE for a registered CLYDESDALE MARE or FILLY, good temperament and type a must.

Photos available.
